

**Welcome to the First Unitarian
Universalist Society of San Francisco**

Since its founding in 1850 our congregation has been a beacon of religious liberalism in this city. During the Civil War, the Rev. Thomas Starr King was credited with keeping California in the Union. He also challenged racism, raised millions for humanitarian relief and inspired new efforts in education.

Unitarianism and Universalism in America both arose in New England during the American Revolution. Because the roots of both traditions are in the Judeo-Christian tradition, you will see on the walls of our sanctuary two inscriptions:

"What doth the Lord require of thee, but to do justly, to love mercy, and to walk humbly with your God?" (from the Hebrew prophet Micah) and "The Kingdom of God is within you." (from the Gospels)

Our religious forebears were far more interested in the teaching examples of Jesus than in beliefs about Jesus. Today we agree more about how we strive to treat others than we do about beliefs. Our backgrounds and spiritual orientations are diverse. Among us are people who consider themselves atheists, agnostics, humanists, Christians, Jews, Buddhists, Muslims, Pagans and people guided by other forms of spirituality and belief.

Belief is many things, and so is disbelief. But we are interested in what happens to us when we open our minds to wider truth, our hearts to compassion, and our souls to the call to work for justice and peace.

If you are interested in learning more, we invite you to a Newcomers Orientation usually held on the first Sunday of each month following the service. At the Welcome Table you will find pamphlets and other information. For more about our congregation, please visit our website at www.uusf.org.

"White Fragility" by Robin DiAngelo
Classes led by Rev. Vanessa Southern

Minister's Book Group will meet on Wednesday, March 25 from 6:30-8PM and Thursday, March 26 from 12-1:30 PM. We will offer another chance for folks to read and discuss **White Fragility** by Educator Dr. Robin DiAngelo. This 150-page book is packed with information and frame-shifting invitations (and shoves) for white folks about issues of race and how to talk about and think about it. The book group will be divided into white caucusing groups and a group for people of color, each with its own facilitator.

The book is a must-read, I think, for all of us, but especially for white folks. Last year people got a lot out of reading it, but especially got a lot out of the discussions so please join!

Letting us know you are coming, however, is required, as is reading the book! Folks who came before are welcome to come again for a second pass at the material. Each read opens up insight. I look forward to seeing you all.

It is vital that you RSVP because we might need to meet online using Zoom. Stay tuned for any updates!

Dear Members and Friends,

In the fast-changing world of this pandemic and our response to it, the Board and senior staff made some changes in our policies for the next few weeks. As many of you know, this week the SFUSD closed all its schools, many private high schools and universities in the Bay Area went to a remote-learning model, the NBA canceled its season, travel between the US and Continental Europe is temporarily halted for 30 days, and gatherings of over 250 persons are now prohibited in California.

All of this speaks to a growing focus on a policy of mitigating the spread of the illness to attempt to allow our health care system can handle the extreme cases of the virus while handling its normal load of every day human health crises. In light of all this, and despite the power and joy we get in being together as a community, and its importance to our emotional, spiritual, and physical health, we will be suspending all Sunday morning programming through the end of March. At that point the Board and staff will review where we find ourselves as a city and congregation.

In the meantime, worship will be live-streamed with a bare-bones set of participants. This week some members of the choir and bell choir will be present. However, in the weeks ahead they too will join in the virtual congregation. Our Pi(e) Day Celebration, which was scheduled for this Sunday after church, will be postponed until a future day of celebration (and eating)!

We thank you all for sending in your ideas and updates these past weeks. Please continue to do so. We thank you all for sending in your pledges too for the year ahead that we hope will be one in which we are all back together again, though no doubt this time of challenge will have changed us. If you haven't, please email us your pledge (info@uusf.org) or go to our website (www.uuef.org) and pledge via the big green button on our homepage. We will need everyone's participation to meet our goals.

As we move forward in these weeks and months ahead, we are brainstorming ways to innovate how to stay connected — whether that is through more phone conversations, exploring the world of Zoom and other ways the internet allows us to connect almost face-to-face. I am even considering sending out spiritual resources under the heading: Modern Monasticism, a spiritual journey for unusual quarantined times!

We know it will take a few weeks before we figure out how to do church together under these circumstances. Please have patience. Right now ideas and imagined challenges outweigh our ability to solve them. And we are trying to pace the workload so staff also can be healthy for the long haul. Meanwhile, on the otherside of this Order of Service there are some ways listed you can reach out to find what you need or who you need!

Know you are loved.

In the journey together,
Vanessa Rush Southern, Senior Minister
