

Dear Supporters,

**Today, February 8** marks the official end of the contract between Yuba County Jail and ICE! This means the end of the last contract between a California county and ICE, and the end to years of unnecessary suffering. The coalition's official press release is linked here: <https://www.ccijustice.org/post/breaking-last-ice-contract-with-a-california-county-jail-terminated>

We are looking forward to celebrating this contract termination with you all and highlighting the years of organizing that contributed to this win. We will also be uplifting the continued fight to end immigration detention everywhere!

The updated date of the contract termination *celebration* is **Sunday, March 19th from 1-3pm** in front of the Yuba County Jail at 215 5th St, Marysville, CA 95901.

Please RSVP at [this link](#) and feel free to share with your trusted networks.

Transportation from the Bay Area to Marysville is being coordinated, we ask that you RSVP by Wednesday, March 1st if you are interested in transportation options.

In community,
