Information on the William and Alice Hinckley Scholarships

- The William and Alice Hinckley Scholarships are part of a charitable trust established in 1876, The William and Alice Hinckley Fund. The will of Captain William Hinckley directed that a scholarship be given “to some worthy, talented, industrious, and needy young man who is pursuing liberal studies either in the University of the State, or any other school...” Since then the program has been expanded to include women.

To honor Captain Hinckley’s intent, preference is given to candidates whose career plans are directed toward humanitarian goals. While a candidate’s connection with First Unitarian Universalist Society of San Francisco or other Unitarian Universalist institutions may be given some consideration, race, sex, sexual orientation, physical limitations, age, and religious preference are not to be used as excluding criteria. The number of applicants for the scholarships has required the Scholarship Committee to limit applications to those living in the nine Bay Area counties (Alameda, Contra Costa, Marin, Napa, San Francisco, San Mateo, Santa Clara, Solano, and Sonoma).

Applications must include a copy of your most recent unofficial transcripts. Successful applicants will be interviewed by a member of the Hinckley Scholarship Committee; therefore, it is incumbent upon the applicant to provide contact information. Providing corrections and updates of correct contact information is required to receive scholarship grants.

Students who have been awarded a scholarship must make a midterm report to the Hinckley Fund by December 15 and a final report by June 15 as stipulated by the IRS.

Applications must be received by 5 pm March 31, 2022.
