

First Unitarian Universalist Society of San Francisco is one of a select number of congregations that has already exceeded its delegate allotment in paid General Assembly registrations for GA 2026. As part of a limited pilot connected to this year's **"Together Everywhere"** theme, we would like to invite your congregation to participate in a new **"All In" congregational promotion**. We have provided a unique registration code that may be shared within your congregation. The UUA will cover the cost of additional GA registrations used through this pilot program.

Our hope is that this pilot will help congregations gather, connect, and experience General Assembly together in new ways through shared viewing, discussion, worship, and participation. Because this is a pilot program being introduced midstream, the offer applies to new registrations moving forward and is not retroactive to previously purchased registrations.

You may now invite additional participants at your congregation to register at no cost. [Adult Registration](#) [Youth Registration](#) [Business-Only Registration](#)

On the payment screen of the registration form there will be a place to apply a Promotional Code. First Unitarian Universalist Society of San Francisco's code is **ALLIN2424**.

Order Total

Grand Total:	\$350.00
Amount Due:	\$350.00

If you received a Gift Certificate, please enter your code below.
